Congratulations, you're planning your wedding! For you, your family, and friends this is a very special time and will be filled with many moments of fun, laughter, and decision making. When planning such a joyous occasion, the fun and laughter come naturally and, with our wedding expertise to help guide you, the decisions will come easy.

Weddings, like many things in life, come in all sizes shapes and colors. Styles can be simple, sophisticated, intimate, opulent, elegant, serious, fun, or fairytale, just to name a few! So many options, decisions, and details!! Imagine what fun we will have exploring all of the available options, determining your choice of style, and planning all of the details. Our professional wedding coordinator will assist you in every step along the way to having the wedding that you have always dreamed of.

Speaking of dreams... Couples hosting their wedding at Ventana Canyon are able to make arrangements for discounted rates for their guests who have trav-

eled far to share their special day.

Naturally as the saying goes, "All good things must come to an end." So when the party's over and the guests have all gone, the resort's complimentary Bridal Suite, complete with Chocolate Covered Strawberries and Champagne, will provide the perfect end to the perfect day!

We are certain that you will agree with the many couples before you, that hosting your wedding at Ventana Canyon with breathtaking views of the Catalina Mountains ensures an experience of the absolute finest service, accommodations, and recreation in the most spectacular setting that Tucson has to offer.

So, as you fantasize about your wedding day and how perfect it will be, let your imagination go. Let us take care of the details. At The Lodge at Ventana Canyon we believe that the most important day of your life should also be the most enjoyable.
