

# VENTANA JUNIOR GOLF ACADEMY

## VENTANA JUNIOR GOLF ACADEMY

Junior Academy days at Ventana are not only an opportunity for young players to learn to play golf from experienced professionals, but they also provide a platform for competition and learning from their peers.

Ventana Canyon will host Academy Days on Wednesdays and Fridays throughout the school year now through May 17, 2019 from 4 to 5:30 p.m.

Our target age range for the Academy is 9-15, although we will consider players outside this age range by exception and on an individual basis. On a typical Academy day we will spend time on full swings (working with each player on their swing basics), then we will either spend time on the golf course or on short game competitions and skills. Ultimately, the main goal of the Academy is to get players ready for competitive golf and eventually High School and College Golf, but just as important, is to have you meet new friends and simply have fun.

The monthly cost of the Academy is \$100.00 per player. We will consider pro-rated rates for players who can only attend one day a week. Academy players need to be independent and mature enough to work on their own, and be on the course, without supervision. There will be times when players will be on the course with peers, but not always with the instructor. Participants also need to be able to hit the ball on every swing and be able to complete at least 3 holes.

If interested in the Academy please contact Kevin Christian, [kchristian@thelodgeatventanacanyon](mailto:kchristian@thelodgeatventanacanyon) or call his cell 520-365-6932.
